Waking Up White & Finding Myself in the Story of Race,  
By Debby Irving

*For twenty-five years, Debby Irving sensed inexplicable racial tensions in her personal and professional relationships... Then, in 2009, one "aha!" moment launched an adventure of discovery and insight that drastically shifted her worldview and upended her life plan. In *Waking Up White*, Irving tells her often cringe-worthy story with such openness that readers will turn every page rooting for her-and ultimately for all of us. (description from Amazon.)*

This book came to my attention through our co-moderators of the PCUSA, who, in the spirit of 'one church, one book', requested that every congregation read this book as part of their adult education curriculum this year. It's a good one! Cost: \$15. Date for discussion: August 13 @ Noon.
